Hearing Set to Air Issue *Times - 9-8-66* of Annexation

EL MONTE — Property owners in five areas proposed for annexation to this city have been notified of a public hearing on Sept. 26 for the airing of their views on the issue.

Besides two small parcels — at Garvey Ave. and Peck Rd., and just west of Tyler Ave. and south of Garvey — which overlap the once-proposed city of Monte Villa section — El Monte has filed a notice it intends to annex:

1—The Arden Village area with five residential units.

2—The Rio Vista Elementary School District in the Arden Village area.

3—A commercial area near Five Points, bordering the City of Industry.

Telpher Wright, city administrator, said property owners in all areas have asked to be annexed.

Cityhood Rejected

A move to incorporate Monte Villa was rejected by county supervisors after only 11.2% of the area's assessed valuation was represented by petition.

By law, a petition for cityhood must represent 25% of the property owners and 25% of the assessed valuation of the land area.

Norwood Village, northeast of El Monte, also has been considered for annexation, but El Monte cannot proceed until residents file incorporation petitions on Sept. 15.

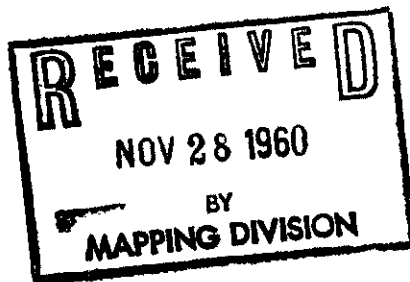

The Norwood district has an estimated population of 19,000.

Dear Miss Nicolet:

Re: Proposed Annexation No. 237
to the City of El Monte

At the meeting held on August 3, 1960, the County Boundary Commission reviewed the boundary description and map submitted by your City Engineer, Travis L. Manning, with his letter of July 19, 1960, of the proposed annexation of territory to the City of El Monte.

This proposed annexation overlaps the proposed incorporation of the City of Monte Villa as approved by the Commission on May 18, 1960.

Although the boundaries submitted do not create islands or corridors of unincorporated territory and conform with record lines and lines of ownership, upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

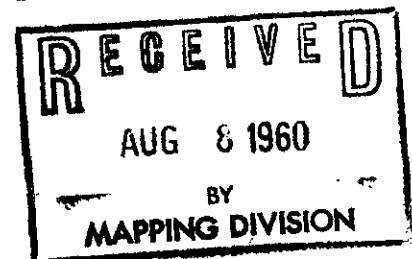

Gordon T. Nesvig
